## President's Report

Rod Peile

Dear Members,  
Although NSW has been gripped by severe drought, we have revelled in the best snow falls for years. I hope you have been able to take advantage of the conditions. I enjoyed the Peak Festival at Perisher and the Summit tour in June. I will be at Southern Alps Lodge for Nordic week at the end of August then a few days at Kahane in September with family.

Congratulations to our Club Champions, Kim Easdale & Daniel Kavo, and Junior Alpine Champions, Letitia Murphy & Ben Wynn. See the Captains and Juniors reports for further details. The Thredbo Junior and Senior Interclub teams raced very well, the Juniors tying first place and the seniors finished on top for 10th successive year. Congratulations and thanks to everyone involved.

Joe Di Falco retired as Chairman of the Lodge Cooperative board in May. Thanks Joe for your tremendous leadership contribution to Southern Alps. Under Joe's 14 year tenure the Cooperative completed significant refurbishments at Southern Alps & Kahane Lodges and renewal of leases for all of our Lodges. Joe was also very keen for the Cooperative to invest in the Clubs elite skiers.

We welcome new Chairman, Phil Friedlander, and trust the superb relationship between the Lodge Cooperative and the Club continues.

This year we have two senior sponsorship applications for consideration at the September Club meeting; **Sami Kennedy-Sim** with current 10th World Cup ranking is working towards a women's ski cross medal at the Beijing 2022 Winter Olympic Games. **Theo Coates** is a young FIS Alpine racer, currently in the Australian National Development team training full time while trying to get his slalom or giant slalom FIS points below but 30 to satisfy tightening National team rules. Next year Theo will continue full time training while also studying at university. We wish both Sami and Theo every success.

Our redrafted Club Constitution has been discussed at this year's Club meetings, mentioned in the newsletters and members have been advised by email that a draft copy is available on our website for your comments. Please contact me or Secretary, Kim Easdale,

if you would like a hard copy to review. Any amendments from member comments will be added to our Constitution website page. Please contact me promptly by phone or email if you have any additional comments.

To register the new constitution with Fair Trading we need to have passed a special resolution at the November AGM. I sincerely thank Kirsty Easdale for assistance in preparing the new document.

Our Annual General Meeting will be held at Cammeray on Wednesday 14 November - All members are welcome. The AGM agenda is shown on page 1. If you would like to nominate for any of the 2019 committee positions, please call or email me for information. I would be very pleased to stand aside should any of you be interested in taking the President's role.

Your comments and suggestions on any of the Club activities are welcome at the AGM or any of the Committee meetings listed in our annual calendar.

Please consider a vacation at one of the lodges over summer, there is something for everyone and I am sure you will agree, time in the mountains is very refreshing.

Hope to see you soon.

## CAPTAIN'S REPORT

Arthur Owens

One of the most exciting wins by Southern Alps was witnessed at this year's Thredbo Senior Interclub. Fearing that we would be hard pressed to win this year due to a number of racers being unavailable, as the varying number of results were being read out it came apparent that one other club was taking points away from our most feared competition. When it was announced that the club we thought would win came 3rd, it became clear that Southern Alps was going to win....and win we did.

Jenny Lyons was again fastest lady - what an achievement after giving birth to Ellieana just 9 weeks prior. Scott Kneller was just pipped for 1st place in the men's.

Our fastest team of five on total time were: Scott Kneller, Tim Easdale, Jenny Lyons, AJ Jones and Sami Kennedy-Sim.

Our fastest team of five on handicap were: Jenny Lyons, Hayden Cairns, Julian Thompson, Arthur Owens and Scott Kneller.

Southern Alps have now not been beaten for 10 years which I believe is some sort of a record.

While Race Week was a little lean this year everyone had a great time and it was a pleasure to see Joe DiFalco and his off-sider Benny Kavo in attendance. Kim Easdale and Daniel Kavo were crowned Club Champions for 2018 and also took out the Rex Cox Trophy & Erik Folden Trophy.

The Rod & Christine Edwards Trophy was won by Lisa Cairns.

Kore Grunnsund and Bill & Evelyn Pigot Trophy went to Alastair Sloan & Kim Easdale.

Lyn Doden Trophy to Hayden Cairns & April Wynn.

Rob Mayne Trophy to April Wynn.

We would love to hear from anyone who may have wish to contribute to ideas that would make our Club's Race Week more exciting, so please put your 'thinking caps' on and let us know.

## Vale Giselle Folden ( Giz)

1926-2018

Giselle Folden passed away 1st June 2018 at age 91. She joined the club with her family Eric, Tom and Peter as Lodge members when Kahane was purchased in 1969.

Giselle enjoyed many skiing holidays at Charlotte Pass, Perisher and overseas. She was also a keen walker.

Giselle is dearly missed by many family and friends, leaving behind 2 sons and their wives, 5 grandchildren and 8 great grandchildren.

## Vale Alex Theakston

Alex passed away on Monday 18th June, 2018, aged 81.

Alex joined SASC in 1979 and was involved in many club activities including the XC Summit Tours, Nordic Weeks, Bushwalks and the extended camping trips.

Since the mid 1990's one of the highlights of the XC&BW calendar has been the annual 4WD camping trip to Alex's property in the Abercrombie National Park. It was supposed to be a working-party week-end but there was always more party than work, however we think we helped with some of his more memorable projects!

He was a unique character and will be greatly missed.

Alex was diagnosed with mesothelioma early last year. We extend our condolences to his family.

## From the Editor

## Past Events

### June – Mt Annan Botanic Gardens Walk

It was a beautiful day for a walk at Mt Annan. Annette led us on a tour through the southern section of the gardens where we saw the Wedding Knot, The Sundial of Human Involvement, the Connections garden, Banksia garden and the Wattle garden. After lunch we joined a very interesting guided tour of the Seed Bank. Thanks Annette for a very interesting walk.

### June – Summit Tour Bus Trip

We had 29 skiers on the bus, including 8 first timers. The snow was fabulous and the weather on Friday and Sunday was good, but on Saturday a blizzard forced a cancellation of the crossing after an hour's skiing. We were able to take the bus to Bullocks Flat and ski in from Perisher. When XC skiing on the Main Range you need to "hope for the best but plan for the worst". Many thanks to all skiers.

### July – Bundeena

After taking the ferry to Bundeena we walked to Jibbon Pt to view the rock art then south to Sandy Beach and up to the cliffs for great views up and down the coast. After lunch we completed the

*Lunch at Woodford Bay Reserve*

circuit back to Bundeena for the return ferry. Thanks to Russell for leading the walk.

**August** – Huntleys Point to Greenwich  
We met at Huntley's Pt and walked over the Tarban Crk and Figtree Bridges, then followed the foreshore to Greenwich Pt. This is a portion of the annual Seven Bridges charity walk and it explores several parks and reserves hidden around the harbour. Thanks to Ron for the planning.

## Coming up in 2018

**November** – 4WD/Camping Week-end at Abercrombie National Park

### November – XC & BW Christmas Picnic Walk

Our 2018 Christmas Picnic Walk will be held at the Haynes Flat Picnic area in the Lane Cove National Park on Sat 24th November

– 9:30am for a walk or 11:30 for Lunch and a social afternoon  
"All Welcome".

Our walk schedule is included in the SASC Newsletter calendar and the details are sent via email one week prior to the walk, if you would like to join us please contact me to be added to the email distribution.

We look forward to seeing you on a walk soon.

## News from the Junior Committee

- Stuart Jones

The SASC Juniors committee were proud to sponsor a number of skiers this season - Antonia and Letitia Murphy, April and Ben Wynn, Jacqui Lee, Hugo Thompson, Theo Coates, Hugh and Isabelle Buttlng. Sponsorship assists skiers who are engaged in recognised ski coaching programs. Thanks to our SASC Lodge Cooperative for funds to make this possible.

For those interested in training assistance in the northern hemisphere winter, now is the time to contact the Juniors committee for further information. Congratulations to all our junior skiers who participated in a well-deserved (equal) first place in the Junior Interclub Championship for 2018! See Julian and Matt's Race Week report.

The Juniors raffle prize draw will take place this year immediately before the SASC AGM on 14 November.

See page 1 for raffle details.

Anyone interested in helping with our Juniors program, please contact me for more information, and feel free to attend our next Juniors meeting on 16 October in Mosman.

## The 2018 Junior Bus Trip

- Darren Gore

We left Canterbury Racecourse in Sydney and, after picking up some children and helpers along the way, had 40 children with 8 parent helpers eagerly awaiting a weekend in the snow. The forecast was looking ominous with snow forecasted and high winds for the next two days, however we had our garbage bags packed and a few extra sets of gloves, ready to take on the elements.

After an overnight journey, we were greeted wet snow on daybreak. At Rhythm Hire at Smiggins, hire gear for 30 odd people was organised, boots were sized and DINs set and everything TAGGED! After a hearty Kahane Lodge breakfast, we had 9am lessons rescheduled to Perisher. The morning continued to be windy and the snow came down wet. The lunch was still at Blue Cow, so a Skitube ride from Perisher to Blue Cow gave everyone a chance to warm up after the morning session.

For free skiing in the afternoon we split into groups with the parents and

the kids nominated their own creative group names. With the warmth of the lodge beckoning, we headed back for hot chocolate and biscuits. We had a lesson on how to hang snow gear and gloves for maximum drying effect! Tony and his crew had an early dinner planned.

On Day 2 we had an early start to get to Blue Cow for the 9am lesson, but again high winds kept us at Perisher. We again had our lessons, followed by lunch at Blue Cow and free skiing in the afternoon. Better conditions and warmer hands were evident in the afternoon and we spent more time on the slopes.

After drying room duties, we were set for the games night in the lodge. Lynda organised an extremely engaging series of games, set at stations around the dining room. The teams got stuck in with enthusiasm (and noise) as they moved around each challenge. Everyone certainly had a good time. Everyone sang Lynda a special song and the girls organised a card for her birthday!

Tony was very helpful in assisting us manage planning and logistics.

On the last day we had an early start with breakfast ready to go before 7am, bags packed ready for transport later. With our Day 3 lessons at Blue Cow, we made the train on time and had everyone off for their 9am lessons.

We modelled for the obligatory pictures and caught the Skitube back to Perisher. Bags were brought to the terminal and the children re-organised gear and the bus was packed. We headed

in to Aldos for a pizza lunch. Troy announced the selections for the Race Team and the presented their vests. Well done to those who were invited to represent Southern Alps Ski Club! We left Perisher around 1pm, had a quick stop at Goulburn and then onto Canterbury Racecourse for arrival at around 8.30pm.

Thank you to Klara for expertly co-ordinating another incident free trip, Tony and his crew at the lodge for accommodating what was needed to keep us fed and accommodated, experts from afar Daniel Kavo, Michael Este and Stuart Jones who helped set-up and support the trip and wrote the cheques and the balance of the parent helpers - Sue, Lynda, Sandra, Lisa, Troy, Barry and Darren - for helping maintain this significant tradition and unique experience for our Junior club members.

## Junior Race Week 2018

- Julian Thompson & Matt Coffey

We had great snow and weather conditions. Team members were Riley Jenkinson, Jade Melvey-Lester, Kai Ingle, Logan Coffey, Max Fisher, Miranda Thompson, Emma Rosenberg and Amber Cook.

We did plenty of training in the gates with coaches from Perisher Race Department early in the week. We also hit the cross country trails and managed to do 3Km X-C race against the Cooma Ski Club kids with Jade pipping Max on the finish line for the 'title'.

*Junior Race Team*

The team, along with other SASC Juniors won the prestigious Thredbo Junior Interclub trophy (well, equal first with Ski Club of Australia) for the first time since 2008. There were 10 lodges and over 120 kids competing. The result was a tribute to the commitment of SASC and the Juniors Committee to developing ski racing talent in Australia. SASC now holds both the Junior and Senior Interclub trophies.

We also travelled up to Charlotte Pass for the Standard Race where everyone carried away a medal, many of them gold. The week was a great success with all the kids improving their race technique, learning to wax their skis, and having lots of fun.

After all the hard training, we let our hair down on the Thursday night, the Disney theme night at Kahane, with some awesome, almost in-tune, karaoke performances. The team managers were in bed well ahead of the kids. Next day most of the kids had bleary eyes from lack of sleep and tired legs from the week, but we sensed they had a fun, challenging race training week and made some great new friendships.

Matt & I were very pleased at their commitment to the week and dedication to improve their skiing. Huge thanks to Tony and the Kahane Lodge team for putting up with race team's early starts and late finishes and producing gourmet delights night after night!

## LODGE SECURITY

Members and guests are reminded that they are responsible for the safety of all their valuables, cash, credit cards, equipment and clothing while staying in the lodges. The Lodge Co-operative cannot accept responsibility for loss or damage of such items.

## LODGE REPORT

Phil Freidlander

I thank my fellow directors for entrusting me with the Lodge chairman position.

After only a short time in the position I have become aware of the great responsibility and workload that this entails and also reinforces my appreciation for the huge amount of work that each director does for the Lodge.

There is a lot of work still to be done with the Charlotte Pass lodge and we are putting into effect a plan for the necessary repairs and maintenance of all three lodges over the next five years.

It is too early to make a financial assessment of the current season but with the good snowfalls it appears that the rates of occupancy have been pleasing. Many thanks to Dee and Greg Ozolins for their 5 years of service as Booking officers for Christiania Lodge. Jayne Mayne will take over the position in January, 2019.

Lodge members can attend at the Directors open meetings which are set out in the 2018 club calendar and are most welcome. The next open directors meeting is on Monday 15 October 2018 at 8 pm at Sports House, Quad 1 Level 2, 8 Parkview Drive, Sydney Olympic Park, Sports House. The entrance is locked after hours so please call Phillip 0419 226 518 or Rod 0448 670 586 for access.

SUN PEAKS  
RESORT

CANADA'S ALPINE VILLAGE

## Sun Peaks Resort Update

Crews from Sun Peaks Resort and Doppelmayr have been hard at work this summer on the construction of the new Orient quad chairlift with a planned opening just before the Christmas holidays. After some initial surveying and engineering work, crews began logging and clearing the new lift line. The line clearing has revealed numerous stunning new vantage points of Mt. Morrisey and the village, which are sure to be a hit with guests this winter. The new lift will run directly opposite the Morrisey chairlift.

Other work includes grading of the top terminal area, creating a new green run which will connect to Rambler and the main village, and the relocation of services for the bottom terminal.

The bottom terminal of the lift will be located in the current position of the Umbrella Café.
